### **NOTICE REGARDING ERROR IN FINAL OFFICE ACTION (OFFICE ACTION IN COMPLETE)**

Mail Stop: Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Applicant is in the process of responding to the FINAL Office Action mailed June 4, 2007. However, Applicant cannot fully and properly respond, as the Office Action is not complete. For example, on page 5, fourth line from the bottom of the page, the Office Action states: "Note that Ergavic et al. uses a bar code reader and is well capable of using such a detecting device in determining the \_\_\_\_". Clearly, this sentence is incomplete, as more information was intended. However, the statement merely stopped mid-sentence.

In order to allow Applicant to fully respond to this Office Action, Applicant respectfully requests that the Examiner complete the Office Action and re-mail it with a new mailing date.

No fee is believed to be due in connection with this submission. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,

/Daniel R. McClure/
